Give your child the confidence they deserve

Homeschool Martial Arts Summer '10

USA Martial Arts in North Frisco has put together a special Home School Karate program for Homeschoolers! The class is 45 minutes of fitness and fun with character and skill building! Not only is this a great way to get the "wiggles" out through lots of movement but the kids will be learning self defense, stranger danger, the importance of focus, dependability, respecting your teachers (MOM!), etc. They will be doing do obstacle courses and will graduate to the next belt rank at the end of the semester.

USA Martial Arts creates LEADERS with CONFIDENCE and transforms everyday kids into extraordinary leaders. We have a proven track record of motivating our students to achieve EXCELLENCE through PERSISTENCE and SELF-DISCIPLINE; instilling RESPECT for authority; and imparting the CONFIDENCE to live a life of INTEGRITY -- all of which transpires while experiencing the joy of discovering their unique CREATIVITY. This will provide children with an irreplaceable foundation of character development that will carry them into adulthood. Come give us a try - you or your child can't lose.
